Mr. Francisco Miguel Lacerda
de Figueiredo
LEIRIA

Dear Sir,

I am again in Leiria, after vacation and I am ~~return~~ re-studying the severa[l] matters I have pending and amongst them that regarding "CASA DA AZINHEIR[A]"

As you suggested me by your letter of June 11, 1973, I wrote to your Lawyer Mr. Olindo de Figueiredo, in June 19, 1973.

However and by his letter of July 13, 1973, he limited his answer~~s~~ to inform me that he had in due time ~~give~~ ~~the~~ explained the situation to Mr. Claudino Pereira, the lawyer hired by "Missionaries Daughters of St. Antonio Maria Claret".

However and accordingly Mr. Claudino Pereira such an explanation was only a phone call, having not been sent to him any written document regarding this subject.

So, I am decided to ~~s~~ look for the [b]est solution ~~for~~ of this problem together with [the] lawyers, initiating of necessary a [judic]ial action.

[H]owever and after thinking a lot [thi]s matter, I decided to write to you [to s]ee whether you are dis[illegible]
